

CAVALIER CATERING

The menu selections and services listed are the most frequently requested items and help to serve as a guide for your events needs. However, this is only a glimpse of what we can do for you. Should your plans include something not found on this menu or you are looking for more suggestions please feel free to call and let us help you customize your menu! Whether you are planning a simple gathering or a big event we are here to help you with all your needs! We appreciate your interest in our catering services and look forward to the opportunity to demonstrate our quality. As a support service of the school district, all revenues generated by the catering department stay in the food service fund.

Orders placed less than 10 days in advance will be accepted on an availability basis.

Our catering menu requires a 10 person minimum order, and our tray menu requires a 25 person minimum order.

Pricing includes any delivery within the school district, any other location will be charged a \$5 delivery fee.

Pricing includes table covers, utensils, napkins, plates, cups, ect.

Pricing does not include any services provided after set up. If you need our staff to serve food, the additional cost will be \$18 an hour per food service worker.

If using our cafeteria lunch serving lines you will be required to hire a food service staff member.
